L'Oréal Price List

All the following prices and treatments relate only to the following salons: The Old Hall, Iron Gate and Belper.

Our scale of prices reflects both the professional training level and practical salon experience of our team. If you require your stylist to carry out your technical service there may be an extra charge. If there is a service you require that is not stated within our price list, please ask by contacting us, or when you book your appointment.

A colour patch test will be required 48 hours prior to colour services for any client receiving a colour service for the first time. There may be an additional charge of £5.00 for GHD curling and straightening on longer and rebellious hair.
