## Welcome to Capulet Spa

Capulet Spa was established in 2008, and although the salon is situated in the city centre, it's a haven of peace and tranquillity.

The salon is located above Sally Montague's flagship salon, The Old Hall, which is housed on St Peter's Churchyard, Derby... just two minutes walk from the Westfield Shopping Centre.

The character of the old school building oozes charm and quirkiness, mixing modern and traditional materials to create a stylish boutique environment.

We know when our clients walk into the salon, the ambience takes their breath away; instantly making them feel at ease from the busy city pace.

With luxurious surroundings, and a comprehensive range of products and treatments that are exclusive to the salon, you can be assured the service and products are of exceptional quality.

We will look forward to welcoming you.
